

RWTHAACHEN UNIVERSITY

Thinking the Future.

**Full Professor (W2)
in Visual Computing**

Faculty of Mathematics, Computer Science and Natural Sciences

We are seeking qualified applicants for teaching and research in the area of Visual Computing. The starting date is winter semester 2015/16.

Applicants should have a strong research track record in one or more dedicated sub-areas of Visual Computing such as, e.g., "Simulation and Animation" or "Image- and Video-based Rendering" or any other sub-area. This professorship will belong to the Visual Computing Institute in the Computer Science Department at RWTH Aachen University. For detailed questions, please contact Prof. Dr. Leif Kobbelt

A Ph.D. degree is required; additionally, Habilitation (post-doctoral lecturing qualification), an exemplary record of research achievement as an assistant / an associate / a junior professor or university researcher and/or an outstanding career outside academia are highly desirable. Ability in and commitment to teaching are essential. German is not necessary to begin but will be expected as a teaching language within the first 5 years.

The application should include supporting documents regarding success in teaching.

Please send a cover letter stating research aims and a CV to: An den Dekan der Fakultät für Mathematik, Informatik und Naturwissenschaften der RWTH Aachen, Prof. Dr. Schael, 52056 Aachen, Germany. The deadline for applications is May 31st 2015.

This position is also available as part-time employment per request. RWTH Aachen University is certified as a family-friendly university and offers a dual career program for partner hiring. We particularly welcome and encourage applications from women, disabled people and ethnic minority groups, recognizing they are underrepresented across RWTH Aachen University. The principles of fair and open competition apply and appointments will be made on merit.
